

Accessories

Suspended luminaire series TRIGONA-E, accessories

Tube suspension fixing kit ZRPH:

The following two kits are supplied for tube pendant mounting:

ZRPH 050, suspension drop 0.5 m
ZRPH 100, suspension drop 1.0 m

The tube pendant fixing kits consist of a white scratch-resistant powder coated steel tube, a plastic canopy, metal holder and a connector block 3 x 2.5 mm².

The tube pendant and canopy can be supplied titanium-coloured on request. For a shortened tube pendant, hanger ZRPAS is available.
